

16-19 Bursary Fund and Free College Meal Application Guidance (2022-2023)

The 16 to 19 Bursary Fund is a government funded scheme to help support young people who face the greatest financial barriers to education. Each bursary award gives consideration to individual student needs. Funds are limited so students are advised to apply as early as possible.

Bursary funding without Free College Meals may be awarded at 3 levels, depending on household income. If you are entitled to Free College Meals (FCM) you may also receive a top up bursary payment.

The amounts payable will also depend on the number of days per week that you are required to attend college. If your attendance falls below 95% of the required days, your bursary will be reduced.

In addition, students who are eligible for either Vulnerable or Discretionary Bursary may be able to apply for support with travel costs if they are **not eligible** for the 'Our Pass' travel pass which operates throughout Greater Manchester (if you live outside the GM area or are no longer eligible due to age)

You may also be eligible for a maximum 50% reduction on text books, calculators etc, and 50% reduction on up to 3 UK trips (or 1 UK trip and 1 overseas trip) when purchased via the college Wisepay portal.

The bursary cannot be used to support extra-curricular activities which are not essential to your study programme.

Who can apply?

- Students aged 16-18
- Students aged 19+ who are in the second year of a course that they started when aged 16-18
- Students aged 19-24 who have an Education Health Care Plan (EHCP)
- Students must have lived in the UK for at least 3 years before the start of their course.
- Asylum seekers can apply for Free College Meals and the College may provide equipment and travel passes as necessary.

CHILDCARE SUPPORT

Students aged 16-19 years of age who have parental responsibility can also access financial support for childcare through the Government funded Care to Learn scheme. Further details and how to apply can be found at <https://www.gov.co.uk/care-to-learn/how-to-claim>.

Young parents are expected to access any entitlement they may have for 15 or 30 hours free childcare for 2, 3 and 4 year olds before applying for funding from Care to Learn. More information is available on the gov.uk website (<https://www.gov.uk/free-early-education>)
