

SUPPORTING YOUR TRANSITION

A personalised transition plan to ensure a smooth process

Arrangements for you to visit college with your parent/carer

Informal meetings with staff who will be supporting you in college

OUR STUDENTS SAY...

"Thank you for all your support last year it, kept me going when I wanted to give up."

"I got an A! It wouldn't have been possible without you, you have motivated me so much this year."

"Thank you for everything you have been so wonderful and supportive and I appreciate everything."

"Things may have been different when I got my results had it not been for you, I appreciate it a lot."

ADDITIONAL LEARNING SUPPORT

What we can do to help you

Loreto
sixth form college

ABOUT US

Additional Learning Support is located in the Ellis & Kennedy Study Centre, on the third floor.

HOW WE SUPPORT

Additional learning support is delivered by our specialised team who can provide 1:1 and support, both inside and outside of the classroom.

The team works in close collaboration, not only with the student but with subject teachers, Heads of Halls and Student Wellbeing Teams to ensure that considered, timely and supportive interventions are put into place.

Assistive technology and software are also used to remove barriers to learning, promoting independence and learning without limits.
