

SPECIAL EDUCATIONAL NEEDS: WE ARE OUTSTANDING

WELL-BEING

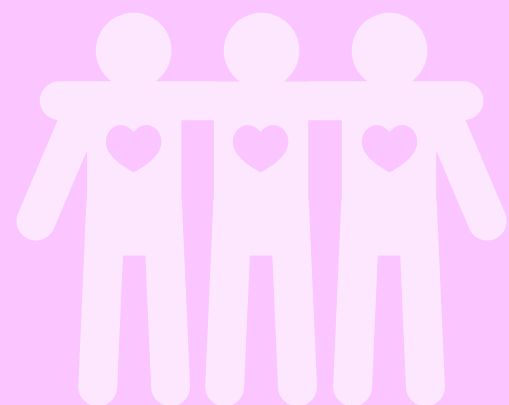

"Parents of students with SEND feel their child is safe and happy" Ofsted 2023

STAFF SUPPORT

"Staff provide exceptional support for students with SEND and high needs at Loreto College" Ofsted 2023

"Students with SEND develop their confidence and independence effectively, supporting each other to move to other lessons without prompts from staff members" Ofsted 2023

"Staff provide support swiftly, which enables students on the pathways to independence programme to develop their confidence and resilience" Ofsted 2023

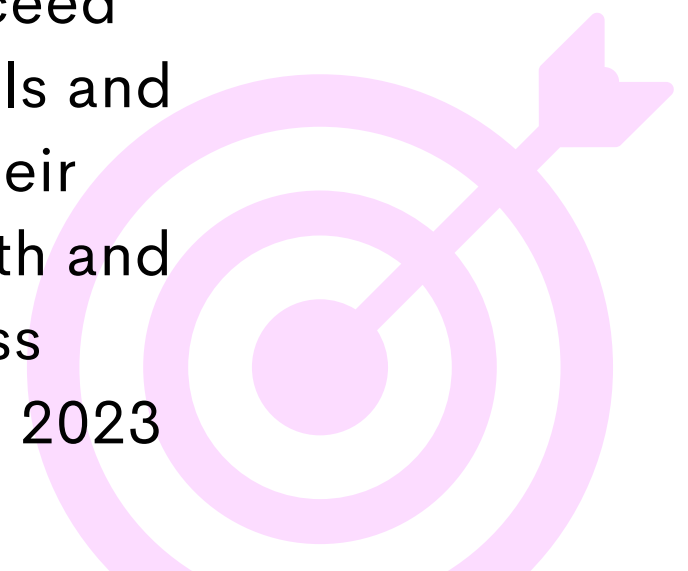

CURRICULUM

"Leaders have developed ambitious curriculums for all students, including those with high needs and SEND" Ofsted 2023

TARGETS

"Students with SEND achieve and exceed the targets, goals and aspirations in their education, health and care plans across college" Ofsted 2023

PROGRAMME

"This enables learners to become confident young people who can contribute to society very successfully" Ofsted 2023

"The programme for students with SEND is planned carefully and incrementally to enable students to develop independence and advocacy skills" Ofsted 2023

"Students make informed decisions about their next steps" Ofsted 2023

"Students with SEND benefit from a comprehensive and aspirational but realistic careers programme that is integral to their curriculum" Ofsted 2023
