# ADDITIONAL LEARNING SUPPORT

## A WARM WELCOME FROM ALS

**Loreto**  
sixth form college

**Additional Learning Support is located in the Ellis & Kennedy Study Centre on the third floor.**

The main aim of the ALS team is to work with students to increase personal growth, successful achievements, outstanding results, and positive progression opportunities. Additional learning support is delivered by an experienced team in SEND who can provide 1:1 and small group support, both in and out of lessons.
