SOCIAL EVENTS

Mary Ward Day

On Mary Ward Day the college pays for ALL Loreto students to go out for a day in October before the end of the first half term!

We have a choice of different activities to select.

Some of our favourites are a trip to Blackpool, the Crocky Trail and Smithills Open Farm.

Pathways Day Out

To celebrate the end of the year we have a day out in June before the end of the summer term.

Prom

At the end of your time in Pathways you can celebrate in style on Prom night at a venue in Manchester.

A WARM WELCOME

At first things will appear strange and there will be a lot to remember.

Just ask if there is anything you don't understand or can't remember - the staff at college are really kind and helpful.

We hope that all this information is useful and that you are now looking forward to joining us.

We look forward to seeing you in September!
