

HOW TO APPLY FOR A PLACE AT LORETO COLLEGE

1

DOWNLOAD AN APPLICATION FORM

If your school doesn't have copies, you can download an application form from our website.

2

COMPLETE YOUR APPLICATION FORM

Make sure your handwriting is clear and easy for us to read. Use a black ballpoint pen and write in block letters. This will be really helpful.

3

WE NEED A REFERENCE

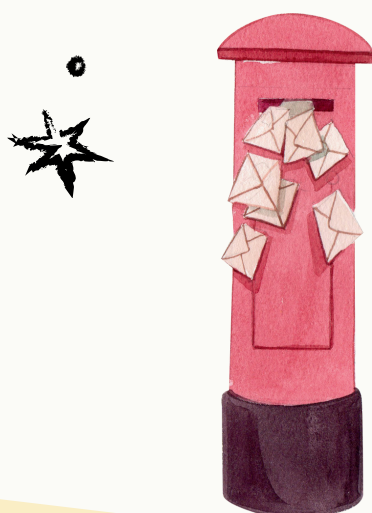

Your application form is incomplete without a reference from your teacher, careers adviser, or Head of Year. Once you've finished filling in your form, make sure you hand it to them to complete.

4

HAND IN YOUR APPLICATION FORM

Make sure your application form reaches Loreto College by **FRIDAY 10TH JANUARY 2025**. Check if your school will submit your application form for you or if you need to post it yourself.

WHAT HAPPENS NEXT?

After we receive your application form and add it to our admissions system, we will send an acknowledgement postcard to the address you provided on your form. Please be patient as we receive many application forms, and this part of the process takes some time. We can be sending postcards right up until March!

...AND THEN?

We aim to have decision letters sent out to all applicants by the end of March 2025.

GOOD LUCK!!!
